HAVANA MEXICAN LEGATION LOYAL TO REVOLUTIONISTS

conding to a telegram sent from Pla-iras Negras to the consulate here by F.R. Schran, a special agent of the evolutionists.

Ges. Huriade has reached Piadras Negras with 1600 well armed troops. These are said to be the same soldiers what took Saitille.

Although revolutionary officials here are reluctant to discuss their qualness plans for the army, it is renerally understood that agents of the new government are planning to re-uniform their entire forces. Un-confirmed reports are to the effect that a good grade of khaki uniform, similar to that of the United States army, will be adopted, and that the bodders will wear hat cortes, such as are used in the United States army, as designain the outifis to which they are atlached.

demand that all your cows give plenty of milk.

An increase of from one to three pounds per cow per day at an increased cost of about one cent per cow per day is the result that may be expected from the use of Purina Cow Chow PURINAN Feed, the perfect dairy ration.

Try a ton and you will understand why cows give more milk when receiving a 24% protein ration (20% digestible protein) that does not contain any cheap filler and that is scientifically compounded for the best possible results.
